

## Training Books and Reference Material

I have compiled a list of books and reference materials that I have in my personal library. Because there are so few books on training draughts or versatile dogs in general I found it necessary to read speciality books and glean methods and techniques that I could incorporate into my training program. I am not endorsing any one book, just listing books by subject matter that may be of interest to you.

### Retriever Training

British Training for American Retrievers - Vic Barlow  
Drills for the Retriever Hunt Test Enthusiast - Carol F. Cassity  
Fetch - A Step by Step Guide to Understanding and Training the Forced Retrieve (booklet) - Bill Corcoran
